

## ABHAY DUBEY

Greater Noida, Uttar Pradesh | +91 8630986672 [abhaydubey1131@gmail.com](mailto:abhaydubey1131@gmail.com) [Github](#)

## EDUCATION

*IILM College Of Engineering  
and Technology Greater Noida*

*B.Tech Computer Science and Engineering (CGPA:7.40)*

*Graduation Date: Sep 2025*

## OBJECTIVE

- To work with an organization where can learn new skills and enhance my capabilities while aligning with the company's growth goals

---

## PROJECT

*Front End of Food Website  
Voice Assistant using Python*

- 
- Foodie.com is a visually captivating and user-friendly food exploration website that I designed and developed with my friends from start to end. This project showcases my proficiency in web development, user experience design, and content management.  
**Key Accomplishments and Responsibilities:**
  - **Front-End Development** : Utilized HTML5, CSS3, and JavaScript to create an engaging and responsive user interface. Implemented a mobile-first design approach to ensure a seamless browsing experience across all devices.
  - Voice assistant is technology that takes command from user and provide information through voice commands and responses
- 

## CERTIFICATION:

**Master Data Structure and Algorithms using C++**
